

## Referral to La Rabida Care Coordination for Children with Special Health Needs

CountyCare members and providers may utilize the services of La Rabida Care Coordination which specializes in partnering with families of children with special health needs. La Rabida care managers are nurses or social workers who are supported by care coordinators. CountyCare members with either complex health needs, medical and/or psychosocial, that are difficult to manage and navigate from a primary care setting alone should be referred to this service. If you have any questions, please contact La Rabida Care Coordination at 773-650-5050.
